01:21:15 George Greenidge: Spelman in the House! #spelhouse

01:21:50 Carole Copeland Thomas: This is another commentary from Denise Gray Felder: Bigotry is closely related to crime in the United STATES. Mass shootings are on the rise in the U.S -- 417 mass shootings in 2019, 611 such shootings in 2020, 700 mass shootings in 2021 -- and we already know that there have been more than 220 mass shootings already this year. Murder of innocent people is a form of racism AND hatred.

01:22:48 Denise Gray-Felder: Mass murder such as that which occurred in Uvalde, TX is a direct form of racism We must combat violence as well as racism in the United States.

01:24:22 Big Mike – Lead Artist @ Beats Rhymes and Life Boston: !!!

01:24:41 Helen Taylor: In the U.S. you see who is controlling the hate. Your VOTE does matter, especially local politics, Congress and the Senate.

01:37:57 Big Mike - Lead Artist @ Beats Rhymes and Life Boston: be proud to be black!!

01:38:16 Helen Taylor: Part of our problem is also not embracing our history and giving homage to our ancestors for through perseverance

through enslavement, injustice, hate, crime, etc. We would not be here without their survival.

01:39:00 Vinny Tomlinson: Juneteenth has to be promoted & embraced. Its an acknowledgement of where we have come from and the fact we and slavery legacies still abound.

01:39:18 Big Mike - Lead Artist @ Beats Rhymes and Life Boston:
^^^^

01:40:49 BATA Boston: Let's not forget the British crown was instrumental in perpetuating slavery. It's not just an American legacy.

01:44:47 MPDC Staff: Racism has impacted the whole world - psychological enslavement- it is alive and well.

01:44:48 Nadine O'Garro: Everywhere Black people exist they experience anti-Black racism in some shape or form (self and other) due to the white inferiority complex and the global anti-Black narrative.

01:44:57 Angela Williams-Mitchell, BJC: Thank you Dr. Pilar. Truthfully presented. I am an Afro Latina.

02:36:22 MPDC Staff: Thank you Rev. Riley! Very powerful!

02:37:19 Denise Gray-Felder: gun violence in the US is a national crisis: in 2022 year to date, there have been a total of 231 crisis shootings (e.g., Uvalde) - - murders of innocence people because someone plagued by problems was able to buy weapons designed for combat. We must, as a people, find ways to stop this.

02:39:27 Vinny Tomlinson: The Queen has used the process of 'Queens consent' to evade paying certain taxes and avoid equality law which enabled her to keep black people out of the palace.

02:39:29 Big Mike - Lead Artist @ Beats Rhymes and Life Boston: thru things like this we can build a network, and using technology to our advantage!
